Variable Speed Pool Pump

- ☐ Variable speed pool pump \$25 rebate

For a variable speed pool pump rebate, applications must be submitted within 90 days of installation with a proof of purchase required. Pool pump must be installed at a single-family residence served by Surry-Yadkin EMC. Pool pumps installed in a spa or jacuzzi do not qualify.

Failure to provide the proper documentation could delay the processing of the application. All rebates are issued as a credit on the member's bill. Please allow 4-6 weeks to process. All rebates are subject to approval and contingent upon fund availability.

Members may qualify for additional federal tax credits. Visit energystar.gov and click "Tax Credits for Residential Energy Efficiency" for details.
