

SURRY-YADKIN ELECTRIC MEMBERSHIP CORPORATION  
DOBSON, NORTH CAROLINA

RIDER EV-RES  
Plug-In Electric Vehicle Charging Rate Rider

APPLICABILITY

This Rider is available on a voluntary basis to residential consumers who are receiving service under the Residential Time of Day (Energy Only or Demand/Energy) schedule and have a Cooperative approved Level 2 Electric Vehicle Charger with time-clock charging capability. Residential shall be defined as a residence, condominium, mobile home, or individually-metered apartment that provides independent and permanent facilities complete for living, sleeping, eating, cooking, and sanitation. Prior to receiving service under this Rider, the consumer must have a signed “Electric Vehicle Charging Agreement” between the consumer and the Cooperative. The obligations of the Cooperative in regard to service under this schedule are dependent upon the member having and agreeing to program the Level 2 Electric Vehicle Charge to only charge during the Rider’s available charging hours as defined herein.

For purposes of this Rider, the applicant must:

1. Provide electric vehicle registration card corresponding to associated electric address with the Cooperative.
2. Provide proof the vehicle can be recharged from an external plug-in source of electricity.
3. Notify the Cooperative should ownership or lease of the vehicle change.

MONTHLY RATE RIDER

The standard Electric Service Rate Schedule shall be applicable for all periods during the month other than the Electric Vehicle Charging period. During the Electric Vehicle Charging Period the following rate shall apply:

First 400 kWh per month	4.50¢ per kWh
All Excess kWh	At the Standard Rate

DETERMINATION OF CHARGING PERIOD

The Electric Vehicle Charging period shall be the hours between 10:00 p.m. and 5:00 a.m. for all days of the week.

EXCLUSIONS

Transportation equipment such as electric motorcycles, golf carts, all-terrain and off-road vehicles do not qualify under this Rate Rider.
