Rebates offered for new qualifying appliances to active residential member accounts only. Applications must be submitted within 90 days of installation with proof of purchase and a copy of the certificate of product rating (AHRI), which can be obtained from the installer. Failure to provide the proper documentation could delay the processing of the application. All rebates are issued as a credit on the member's bill. Please allow 4-6 weeks to process. All rebates are subject to approval and contingent upon fund availability.

Members may qualify for additional federal tax credits. Visit energystar.gov and click "Tax Credits for Residential Energy Efficiency" for details.
